## What is Global Impact

Global Impact is a Bible-based discipleship program purposed to inspire and mobilize post-high school young adults to actively participate in Jesus' Great Commandment (love one another) and Great Commission (go and make disciples of all nations), all in a cross-cultural setting.

We believe God is inspiring young adults with a passion and purpose to make an IMPACT on the world that will have eternal significance.

## What We Offer

Global Impact Discipleship is a 4-month mission focused discipleship training program blending classroom learning, small groups, personal reflection, practical service, and community living.

### Training Phase (3 months)

Training and activities will focus on deepening your personal relationship with God.

### Outreach Phase (1 month)

In partnership with your host church, you will be involved in practical ministry and evangelism.

## Program Location

The discipleship center is located in **Chaguanas, Trinidad**, in a newly constructed facility that offers basic amenities, including dorms, classrooms, a living area, and a kitchen.
